About organization	<p style="text-align: center;">Who Are We?</p> <p>The Traditional Folk Arts and Crafts organises:</p> <ul style="list-style-type: none"> International meetings of craftsmen Exhibition of folk crafts Workshops Performance of folklore dance groups and folk music players Cooperation with ergo therapists while teaching in the care homes <p>Our civic association: The Traditional Folk Arts and Crafts were established in 2006. The activities of the association are mainly focused on keeping and developing of folk crafts and traditions, supporting craftsmen in these activities and creating conditions for expanding their knowledge and experience. The association also cooperates with young people, seniors and disabled people. We also cooperate with volunteers and members of our association during the events where the traditional folk crafts are presented in the workrooms.</p> <p>We organize cultural events that present</p>

	<p>traditional arts and crafts and at the same time our team collaborates with craftsmen from Slovakia and abroad, in particular ceramic makers, tinkers, cravers, blacksmiths, lace makers, weavers, basket makers and calligraphers, jewellers, glass and bell makers, decorators of Easter eggs, folk music instruments, candles and many others. The cultural performance is a necessary part of every event which includes singing and dancing of various folk groups.</p> <p>Since June 2009, our association became a Slovak Trade Union member.</p> <p>The most popular event organized by our association includes The Traditional Handicrafts Festival which takes place annually since 2009 in spa town of Piešťany. Since 2012 we also started to spread the traditions by organizing The Folk Crafts Festival in the city of Senec. In 2013, we are planning to add other cities, such as Žilina and Skalica. There are approximately 160 craftsmen who participate in these events, produce and present their own art.</p> <p>Care and rest homes are also engaged in these activities during which disabled and retired people can present their products. This cooperation continues in projects supported by the Slovak Academic Association which has supported a number of our projects - Workshops and Learning Partnership.</p> <p>In 2011, our association participated as a national candidate in the European Union competition of the projects and was awarded "Award for Promoting Business Environment" by the national agency for development of small and medium enterprise projects in traditional arts and crafts.</p> <p>For more details about festivals and events, please visit our photo gallery: http://picasaweb.google.com/tlur.sk</p>
